mahesh.profigma.com | linkedin.com/in/maheshkulal1997

Product designer with 6+ years turning complex operational workflows into interfaces people can actually use. Most recently designed a hospital management system covering OPD/IPD, scheduling, and role-based admin controls, plus a campus networking platform. Available immediately. Works end to end: research, flows, high-fidelity design, design system, handoff.

EXPERIENCE

Tech Zink Nov 2025 – Aug 2026 · Remote

Software Product Designer

- Designed end-to-end UI/UX for a hospital management system covering OPD/IPD workflows, appointment scheduling, and role-based admin controls.
- Designed a campus networking platform with community feeds, event management, and social features for students.
- Owned the design system across both products, keeping components, states, and tokens consistent for handoff to engineering.

Chipsy IT Services Pvt. Ltd. Jun 2022 – Oct 2025 · Udupi, Karnataka

UI/UX Designer · Graphic Designer · WordPress Developer

- Designed end-to-end UI/UX in Figma for multiple products, including a library management system, a short-video news app, and an automotive marketplace.
- Built and shipped WordPress websites for resorts, schools, hotels, and construction companies, handling design through deployment.
- Produced digital marketing collateral for malls, hotels, and resorts across print and social formats.

Palette Designs Jan 2019 – Jun 2022 · Hiriyaadka, India

Graphic Designer

- Performed product image retouching, color correction, and background masking at volume, building deep Photoshop proficiency.

Omnion Premedia Pvt. Ltd. 2018 – Jan 2019 · Udupi, Karnataka

Graphic Designer

- Handled clipping paths, retouching, background masking, and production Photoshop editing for client image libraries.

SELECTED PROJECTS

My Nimbo · Mobile app and admin dashboard

Led end-to-end product design including user research, user flows, wireframes, and high-fidelity Figma prototypes. Designed onboarding, contest creation, live voting, leaderboard, and wallet flows on a unified design system.

ProFigma · Personal venture · profigma.com

Built and run an e-commerce platform selling digital products and Figma component libraries, covering brand, UI, WordPress build, and SEO.
